The following applies to any On-Demand Subscriptions that may be included in this quote:

On-Demand Training subscriptions are non-cancelable, non-transferable and non-refundable, and expire 12 months from the date of email notification with access code.

The following terms and conditions apply to the purchase and use of the Academic Offerings set forth in this Quotation:

1. If Academic Institution has a current, signed agreement with the SISW entity issuing this Quotation related to the Academic Offerings above that is referenced in the "Agreement No." field above, Academic Institution's order is subject to the terms of that agreement. Otherwise, Academic Offerings are governed by the terms and conditions set forth in the End User License Agreement found at www.siemens.com/sw-terms/eula, together with the EDA Supplemental Terms and Academic Supplemental Terms, both found at www.siemens.com/sw-terms/supplements.
2. Any additional or conflicting terms and conditions that appear on Academic Institution's purchase order or presented in any electronic portal or automated order management system, whether or not required to be electronically accepted, shall not apply.
3. Unless specified otherwise, the Territory for all Software licenses shall be the Site noted above.
4. Fees set forth above are for Maintenance Services. Software licenses are granted to Academic Institution free of charge.
5. Payment terms are Net 30 days from the date of invoice.
6. Academic Institution shall pay sales taxes as invoiced, unless Academic Institution provides SISW with proof of tax exemption at the latest with the payment of the invoice.
7. Log files, data files, rule files and script files generated by or for the Software (collectively "Files"), including without limitation files containing Standard Verification Rule Format ("SVRF") and Tcl Verification Format ("TVF") which are SISW's trade secret and proprietary languages for expressing process rules, constitute or include confidential information of SISW. Academic Institution may share Files with third parties, excluding any individual or entity that is in the business of developing, marketing, or providing electronic design automation solutions including but not limited to applications software, intellectual property and embedded products, or associated consulting or support services, provided that the confidentiality of such Files is protected by written agreement at least as well as Academic Institution protects other information of a similar nature or importance, but in any case with at least reasonable care. Academic Institution may use Files containing SVRF or TVF only with SISW products. Under no circumstances shall Academic Institution use Products or Files or allow their use for the purpose of developing, enhancing or marketing any product that is in any way competitive with Offerings, or disclose to any third party the results of, or information pertaining to, any benchmark.
8. SISW is not obliged to accept Academic Institution's purchase order, and may require an amending document if changes are required including, without limitation, if: (a) Academic Institution fails to meet SISW's credit qualifications; (b) the Quotation is found to contain error(s); (c) the purchase order does not reference the Quotation, purports to vary the Quotation, is incorrect, or is provided after the validity period of the Quotation; and/or (d) an authorized representative of Academic Institution has not accepted the terms and conditions of this Quotation in writing.

ACCEPTED AND AGREED by the following authorized representative(s) of Academic Institution:

Signature _____
 Name (block capitals) _____ Date: _____
 Title/Role _____

*Signature not required if Academic Institution has a signed license agreement governing the Academic Offerings described hereunder which is referenced in the "Agreement No." field above.
